MISSION STATEMENT

We help individuals living with low vision or blindness thrive in a sighted world.

INTRODUCTION

The Association for the Blind and Visually Impaired (ABVI) is a private, non-profit, United Way funded agency. As part of our mission, we have established the "Eye Can" Aids and Appliances Store to assist visually impaired people and their families with the purchase of adaptive equipment that is not easily found locally. It is our goal to make shopping easier for you.

We have made every effort to choose products to fit a variety of lifestyles. If you cannot find the product you need, please contact us and we will attempt to find it. Canes and magnifiers are not listed in this catalog as they are available through our Rehabilitation Services.

We invite you to visit our display area located in our office, 456 Cherry, S.E., Grand Rapids, or visit us online at www.abvimichigan.org. We encourage you to call before stopping in to ensure that someone will be available to assist you. We look forward to assisting you.

Catalogs are available in the following formats: large print, braille, and in text or Word formats.

GIFT CERTIFICATES

Not sure what to get someone? Take advantage of our gift certificates redeemable on any item sold in the store and equipment sold through the Low Vision Clinic. Gift certificates must be presented at time of purchase.

PRICES

Prices are established based on the actual cost of the item and an allowance for related overhead costs. ABVI reserves the right to make price changes at any time without prior notice. Quantity discounts are not available.

HOW TO ORDER

Orders can be accepted by phone, fax, mail (braille or print), or e-mail. The number preceding the product name is the number used for identification. An order blank is available at the end of the catalog. If you are not using the order blank, please include the following information when placing an order:

1. Name, mailing address and daytime telephone number,
2. Billing address if the order is to be billed to a different address.
3. If paying with credit card, include credit card type, number and expiration date. If ordering online, agency staff will contact you for this information.
4. The product numbers and items you wish to order including the quantity of each item and price. Michigan residents add 6% sales tax.
5. Whether the item will be picked up or should be shipped. Invoices may be sent separately from the order. Sales tax and, postage when necessary, will be added to each order. Merchandise will be shipped via the U.S. Postal Service unless specifically requested.

ABVI accepts MasterCard, Visa, Discover and American Express. If you are ordering online, ABVI staff will contact you for the credit card number.

SPECIAL ORDERS

ABVI reserves the right to request a down payment when ordering merchandise which is not normally carried. After we receive the merchandise ordered, it will be held for two weeks. If you decide that you do not want the merchandise, ABVI reserves the right to charge shipping to return the merchandise.

C.O.D. ORDERS

ABVI neither sends nor accepts C.O.D. orders or shipments.

RESERVED MERCHANDISE

Merchandise can only be reserved for two weeks. Unclaimed merchandise will be placed back in the store inventory.

ORGANIZATIONS

Orders can be placed by organizations in the manner listed above. Organizations which are tax exempt must provide an exemption number or some other identification. Purchase orders are encouraged.

POLICY FOR RETURNS and REFUNDS
Effective 2/1/06

We will accept returned merchandise for exchange, credit, or refund within 30 days after the merchandise was purchased from the Association for the Blind and Visually Impaired (ABVI). ABVI reserves the right to charge a 20% restocking fee.

Merchandise must be returned with the receipt of purchase in original packaging. Merchandise must be returned in the same condition it was received. All instructions and warranty information pertaining to the item returned must also be included. ABVI reserves the right to check our records for purchase date if a receipt is not provided. If a refund is requested, the credit card will be credited or a check will be issued the next time checks are written. Checks are written twice a month.

In the event that the original merchandise is no longer available, ABVI reserves the right to replace the merchandise with comparable devices.

ABVI is unable to accept for return the following: opened software, items used on the body, for food preparation or for medicine administration, or sale items.

Merchandise on clearance cannot be returned.

REPAIR POLICY

ABVI does not have facilities to repair merchandise. Merchandise must either be sent directly to the manufacturer or to the supplier. If merchandise is under warranty, ABVI may assist with returning merchandise. The person requesting the repair is responsible for postage and any costs for the repair.

WARRANTIES

ABVI offers a 30-day guarantee. Manufacturers' warranties are stated.

47 - MAGNETIC LABELING TAPE

Works with labeler.

\$8.25

86 - TEFLON TAPE

Replaces aluminum color tags. Can make your own color labels.

\$4.72

59 - PENFRIEND2

Introducing the all-new, upgraded PenFriend2 Voice Labeling System! This low cost, audio labeler for the blind and visually impaired lets you label anything and everything with discreet audio labels all in your own voice. Easily record and re-record information using this versatile, pocket-sized, easy-to-use labeling system. You can instantly play back the recordings anywhere simply using the PenFriend2 - no computer required. The upgraded PenFriend2 is slimmer in design than the original model and has four simple yellow tactile operating buttons that contrast against the black casing of the device. These buttons are designed to make it easier for the blind or visually impaired user to locate and use.

Another new feature is an easy to use on/off recording function that prevents you from having to hold the record button when recording.

Use to label food/freezer items, film/music collections or household objects. Organize letters and other paperwork. Record shopping lists or leave audio messages, or use it as a portable note-taker at the office or classroom - just record your message and keep track of it by placing the allocated label in a small notebook or on the item.

Comes with 4GB internal memory, 127 colored labels, 3 magnetic badges (great for using on tins), neck lanyard and 2 AAA batteries. Also includes free 'PenFriend sticker management software' which works with JAWS

screen reader and free CreateLINK software to access sound enabled books, posters or maps. You can also download MP3 files (books and music) from your computer using the management software (USB cable required to connect device to computer - not included). 1-Year Manufacturer's Limited Warranty.

Labels cannot go into the washing machine

To use, simply allocate one of the coded self-adhesive labels and record and store your message on the PenFriend2. To play back, hold the PenFriend2 over the label - it announces recordings specific to each label. There is no limit to the length of each message. Auto power-off after 3 minutes.

\$171.23

Extra packages of labels can be ordered. Check for price.

MAILING SUPPLIES

36 - BIG PRINT ADDRESS BOOK

Easy to read, enlarged format, spaces 1/2 inch apart offers ample room for large lettering or handwriting. Heavyweight paper so writing will not bleed through pages.

CLOCKS and TIMERS

* Batteries not included.

146 - JUMBO LED CLOCK

This electric alarm clock with bright, green numbers also has a super loud alarm for deep sleepers. Other features include 9 minute snooze, AM/PM indicator, and 9V battery backup (battery not included). Measures 8-1/4 inches by 2-3/4 inches by 3-1/2 inches. *

\$32.55

118 - MOSHI VOICE-CONTROLLED TALKING CLOCK

An amazing, modern styled talking clock that is totally voice controlled. Once you set, through voice commands only, the current time, the alarm time and sound, the sleep sound, and the date, all the information can be retrieved by just asking for it. In addition the indoor temperature is announced in either Fahrenheit or Centigrade and it is displayed in different colors corresponding to the temperature. Other outstanding features include:

- 3 different alarm sounds available - chime, chirp or bell
- clock will play a sleep sound of your choice for 5 minutes (water, birds or waterfall)
- has a night light
- has a "help" feature
- announces the date
- operates on AC/DC power (adaptor INC) or uses 3 "AAA" batteries (not included)
- measures 7.5 inches by 3.25 inches by 4.5 inches *

\$50.00

115 - MOSHI VOICE-CONTROLLED TRAVEL CLOCK

The clock can respond to interactive commands. Initiate these commands by simply pressing the IVR (interactive Voice Response) button and the MOSHI will respond, "Command Please." Speak one of the Voice Activated Commands and clock will carry out instructions.

- * Time: Tells you the current time.
- * Set Time: Allows you to set the time by voice.
- * Alarm: Tells you the time the alarm is set for.
- * Set Alarm: Allows you to set the alarm by voice.

* Alarm Sound: Offers the option of three different alarm sounds.

* Turn Off the Alarm manually or by voice command.

* Touch or voice activated snooze (up to 3 times).

Uses 3 AAA batteries. *

\$31.13

143 - LARGE NUMBER QUARTZ AND TALKING ALARM

Modernistic teardrop shape with large visual black numbers. Hourly time announcement or whenever bar is depressed. Three different alarm sound choices. Operates on two AA batteries. 90-day warranty. *

\$13.68

142 - ATOMIC TALKING CLOCK

The design is very appealing and modern, but the unsurpassed accuracy of this talking atomic clock will really wow you. It has one of the clearest talking functions we've heard. In addition to the time, it will announce the month, day of the week and number of the day. The large digital display shows you the time, day and date, in big, bold numbers and letters. Measures 4.5 by 4.7 by 2.75 inches, and the LCD screen is 1.75 by 3 inches. Requires 2 AA batteries. The time is spoken “it is 10 minutes to 12” instead of “it is 11:50”. This clock announces AM or PM. Optional hourly announcement. Guides user vocally through set-up. *

\$31.84

116 - 3-IN-1 SUPER CUBE TALKING CLOCK/TIMER/ CALENDAR

Includes 3 functions: clock, timer, and calendar. Requires 3-AA batteries. Male voice. Measures: 2-3/4 inches by 2-3/4 inches by 2-1/4 inches. *

\$39.01

183 – TALKING CALENDAR ALARM CLOCK *

Time announcement in a British male voice, Separate announcement for date announcement, Choose from 11 alarm sounds with 10-minute snooze, Uses 9V battery not included.

Date announcement sample: “24th of September, 2010”

Time Announcement Sample: “5:20pm”

Includes protective plastic cover to prevent accidental button presses. The Date and Time buttons are accessible with the cover on.

\$68.87

138 - CURVED TALKING ALARM

1/2 inch black numbers on easy-to-read LCD display. Black case; 4 inches by 1-1/2 inches by 2-1/2 inches. Audio time report; hourly time announcement; adjustable volume; easy-to-set alarm; female voice. *
\$14.20

144 - TALKING KEY CHAIN CLOCK

Displays and announces time. Alarm clock feature talks and crows. Compact 2-1/4 inches high by 1/2 inch wide by 1-1/2 inches deep--fits easily in pocket and purse. Batteries included. 90 day warranty.
\$12.78

156 - BABY TALKING ALARM CLOCK

Cute 3 inch oval clock announces the time and temperature in a clear, female voice. Press the large button on top to hear the time and indoor temperature. All other controls are on the back of the clock. Alarm is a pleasant chirp. A backlight helps make the display easier to see. Uses 2 AAA batteries (Not Included). *
\$21.23

139 - TRAVEL TALKING ALARM

This little (3.25 inch by 2.25 inch) travel and desk clock has a slide-off plastic cover that protects the setting buttons but leaves the talk button uncovered so you can press it to hear the time. In addition to all the standard features, it offers a lively musical alarm or a cuckoo alarm, a snooze button, and an hourly chime that operates between 7 AM to 9 PM. A stand pops out when you pull the cover off so you can rest it on your dresser. Uses 2 "AAA" batteries (not included). *
\$16.27

LCD BIG DISPLAY TALKING ALARM

The Big LCD Display Talking Alarm Clock is a low profile, multi-functional talking alarm clock that announces time in a friendly female voice with a touch of a button. This low vision talking alarm clock measures 1-3/4 round and accented in dark gray. Only the lightest touch is required to activate the voice announcement button. Another special feature of this low vision alarm clock is the Lock/Set button. Those who are blind or have low vision, perhaps even those with dexterity problems, may already be familiar with the frustration of accidentally resetting a digital clock's time or alarm. The Reizen Big LCD Display Talking Alarm Clock features a button that you

push to set only when you are purposely setting the clock's time or alarm. When finished, push the button to Lock and you never have to worry about accidentally changing the time or the alarm again. This talking clock also features a 10-minute snooze, your choice of beep, cuckoo or rooster alarm sounds, hourly voice announcements, and Hi/Lo volume sound. Clock requires two AA batteries; not included. Measures: 4-1/4 diameter and 2 high. Large LCD Display measures almost an inch tall.

\$17.45

94 - BIG BOLD TIMER

Large bold number timer with wall mount.

\$19.95

90 - BRAILLE TIMER

3 raised dots at 15, 30 and 45; 2 raised dots at remaining 5-minute intervals; 1 raised dot at remaining 2-1/2 minute intervals. Face measures 4-1/4 inches and dial is 2-1/2 inches in diameter.

\$17.45

189 - MEDIUM RING TIMER

This 60 minute timer has 2 dots on 0 and at every 5 minutes, 1 dot at every 2-1/2 minutes and 3 dots at 15, 30, and 45. Knob has a narrow arrow for direction, features black plastic, white dial.

\$16.27

TACTILE LONG RING TIMER

The tactile long ring, low vision timer has an 8 inch diameter, 1-1/4 inch numbers. Bold, easy to read, tactile numbers. Easy to use by those with weak hands.

190 - White Dial

191 - Black Dial

\$23.68

91 - COLOSSAL LONG RING TIMER

This timer's face is a full 9 inches in diameter, with tactual numbers that are 1 inch high. Every five minute interval is marked with a raised line. This timer can be mounted on a wall, rest flat on a table or kitchen counter and can stand upright on its own detachable base.

\$25.00

95 - TALKING TIMER

Countdown/up timer announces the time left periodically; has auto repeat button; will tell time at the push of a button.

163 - BIG BUTTON REMOTE

Big buttons, fully lighted; works on TV's, VCR's, cable, and satellite.

Requires AA batteries, not included.

\$28.77

160 - EASY-TO-SEE REMOTE

This item is a universal remote, with only 6 large buttons with clear, black markings on them. The on/off button is round, the mute is square and the volume up and volume down, channel up and channel down buttons are triangles that point in the up or down direction, corresponding to their function. The unit is just the right size - not too big, but not small enough to lose. It measures approximately 5.5 inches by 2.75 inches by 1 inch.

Operates on 2 "AA" batteries (NI); is designed to simplify operation of a television ONLY. The remote does not operate cable or satellite boxes, nor does it control DVDs and VCRs. It is designed for televisions that have Cable TV or an antenna wired directly into the TV. *
